REMINISCENCES OF OUR PIONEER DAYS

Gleanings From the Records Left By Men Who Laid the Foundation of Our County.

A little item which appeared in the Times and Gazette of July 3d, 1886, might interest some of the people of Redwood City at this time and is copied in full as a bit of personal history: "Last Thursday was ta day of keenest interest to at least four families in San Mateo county, three of whom are residents of the county seat. At 6 a. m. Mr. Robert M. Brown, the druggist and Miss Jennie Stewart were married by Rev. W. H. Pasco and left for San Francisco on a brief wedding trip. At 4 p. m. Mr. Edward F. Fitzpatrick and Miss Mary Agnes O'Connell were married at Church of the Nativity, Menlo by Rev. Father O'Riordan. Mrs. Monahan, the bride's mother, and a few relatives were present. Miss Fannie McGovern of San Francisco was bridesmaid and Mr. A. D. Walsh was best man. After a wedding trip to Gilroy Springs, San Jose, SanF rancisco, and perhaps other places, the bride and groom will return to Redwood and occupy the handsome and home-like dwelling adjoining the residence of Mr. Fitzpatrick the elder.

The fall campaign for the election of county officers in 1886 was a rather bitter one, resulting in many unpleasant personalities, accusations of personal misconduct being bandied back and forth by both sides of the political controversy. The campaign was opened by the Democrats, who held their county convention September 18th at Spanishtown. While there was some little raugling over the organization of the convention, as seemed to have been usual in these days, its deliberations were harmonious and the entire ticket was filled without opposition, the nominees being as follows: For Assemblyman, Percival Selby; sheriff J. H. Hatch; County clerk, J. W. Bicknell; auditor, W. J. McGarvey; assessor, P. J. Maloney; district attorney, George H. Buck; tax collector, Henry Pitcher; superintendent of schools, George W. Hall; coroner, Dr. J. L. Ross. The convention could find no one anxious to make the fight for treasurer and adjourned with that place on the ticket a blank. Some time after the adjournment of the convention the county committee prevailed upon C. J. Hynding to take up what was regarded as a forlorn hope and his name was placed on the ticket as a candidate for treasurer.

The Republicans held their convention in Redwood City on September 25th, just one week later than their opponents. For some reason seekers after office were not very numerous that year, and like the Democrats there was no contention for the nominations, every place being filled without an apparent opposition. The ticket put forward was as follows: For assemblyman, W. Z. Price; county clerk, E. Eikerenkotter; sheriff, W. H. Kinne; treasurer, P. P. Chamberlain; assessor, Geo. W. Lovie; tax collector, John C. Edgar; auditor, George Barker; surveyor J. J. Cloud; district attorney, George C. Ross; superintendent of schools, J. F. Utter; coroner, Dr. L. D. Morse.

The election which followed resulted in the election of the entire Republican ticket, with but three exceptions. The three Dmocrats who succeeded in securing positions were H. S. Pitcher, who was elected tax collector over Jno. C. Edgar by the small majority of 6; George H. Buck, who beat Geo. C. Ross in the race for district attorney by 13 votes; and Dr. J. L. Ross, whose majority for coroner was 18. The largest majority on the ticket was given to George W. Lovie, who was elected assessor by the handsome majority of 502 votes out of a total of 1804 votes cast. The next best run on the ticket was made by P. P. Chamberlain, who beat C. J. Hynding by 334 votes.

George S. Evans Relief Corps was organized in Redwood City on the afternoon of Saturday, February 12, 1887, by National President Mrs. Elizabeth D'Arcy Kinne, assisted by several ladies from San Francisco. The first officers of the Corps were: Mrs. Geraldine Frisbie, president; Mrs. G. W. Griffiths, senior vice president; Mrs. Celia W. Bean, junior vice president; Miss Alice Leahy, treasurer; Mrs. Sarah T. Fox, secretary; Mrs. Ida Pascoe, chaplain; Miss Addie Underhill conductor; Miss Kate Stewart, assistant conductor; Miss Minna D. Wagner, guard; Mrs. Lizzie Locker, assistant guard. There were 24 ladies on the list of the original charter, of whom the only survivors at this time are Mrs. Geraldine Frisbie, Mrs. Sarah T. Fox and Mrs. Lizzie Sampson.

BE CONTENT

One of the chief studies of mankind in all ages has been how to obtain the most for the least—in other words, how to get the most money for the least labor; and the largest measure of happiness for the smallest amount of effort. This is a right principle; provided that in getting the most we do not trespass on the rights of the least; andprovided further, we make the right use of what we get. Upon these two points hinge all the equities and virtues of the accumulation of of wealth.

One source of almost unlimited trouble in this world is not knowing when we are well off. Our happiness depends too much on what we suppose others think of us, and too little upon what we really think of ourselves. We carry the spirit of rivalry and emulation to an extreme. In our efforts to excell our neighbors we overdo the business and make ourselves miserable.

How much better for us all if we were better contented with our lot, and ceased envying the fancied happiness and enjoyment of others. The flowers that bloom in ourneighbor's garden—their beauty and fragrance are as much for us as for their owner. We have a fee simple in just as much sunshine and air as he has. We own just as large a patch of God's blue sky—can number among our jewels as many stars as our more wealthy neighbor. Yes, infinitely more than he, for we are less encumbered with those worldly cares that obscure the glorious vision of the soul and shut out the heaven that unfolds its broad expanse all around the humblest of earth's children.

A TIME FOR CAUTION.

By their votes last Tuesday the people of the State of California have made some sweeping changes in their fundamental law. In some instances these changes are of a decidedly radical nature, and whether or not they are to prove wise must depend largely upon the temper of the people.

Among this class may well be placed the initiative and referendum and the recall, both of which provide sweeping changes in the method of the conduct of the affairs of the commonwealth. By the adoption of these amendments the people have taken upon themselves vast powers and immense responsibilities. Upon the manner in which these powers and responsibilities are used depends much—not alone of their future weal or woe—but of the final judgment of the country upon the wisdom of their action.

That the power to originate legislation or to veto unwise and ill considered laws, if used with discretion and directed with wisdom, will prove a valuable weapon in the hands of the people must go without question. Equally is it without question that this same power, when resorted to by either the ignorant or inconsiderate—as there is danger that it may be—must prove a dangerous element in our body politic. Not alone is there danger that unwise laws may be proposed and enacted, but there is the possibility that the state may be put to vast unnecessary expense even to defeat the demands of those who by nature are unfitted to make or suggest laws for the government of the general people. Always it must be borne in mind that in the making of the law of the land it is essential that there must be the highest order of both intelligence and integrity.

And especially, if inconsiderately or dishonestly used, is the power of the recall a dangerous weapon. That this power in the hands of the people will prove a valuable asset—both as a remeby and a preventative—if used with discretion and honest purpose, will not be questioned. By this means the danger of recreance to his trust on the part of any officiai is to a large extent removed. But against this value must be balanced the danger of the work of the demagogue. Not alone can the honest citizen enforce respect on the part of the public officials for their duties and pledges, but there is danger that the mob and the demagogue may make use of the threat of this power to coerce the honest official into the sanction of wrong and the violation of the better interests of the community.

With the wisdom of these changes there is now no time for argument. By their voices the people have made them the law of the land, It is now their duty to see that their use is made for the best good of the whole people. To this end, it is essential that the deepest consideration should be given to their operation and the results of their enforcement. The use of neither should be resorted to except under the urgent necessity, and then only after the most thorough consideration and discussion.

There will be services at the M. E. church next Sunday at the usual hours—11 a. m. and 7:30 p. m. The pastor will preach in the morning on "Despondency, its Cause and Cure," and in the evening, on "The Giving of the Law."

Mrs. T. O'Sullivan and family who have been at Gridley, Butte county all summer, have returned to this city.

Dairies In Good Condition.

Prof. H. O. Jenkins, health officer of Palo Alto, and Dr. J. L. Ross, health officer of Redwood City, made an examination of the dairies supplying milk to the two places recently. The result of this analysis is reported as follows: Butter fat, 3.5%; specific gravity, 1.0332; total solids, 12.5%; solids not fat, 9.0%. While this is not very rich milk it is 25 per cent higher than the minimum required by the state law, and about what might be expected at this time of the year, when there is no green feed. Where conditions required dairies were ordered cleaned up and drained preparatory to the winter rains. As there has been no cases of typhoid fever in Redwood City during the past year it speaks well for both the milk and water supply and drainage of this vicinity.

Hospital Notes.

Mrs. A. Mangina of Portola, who recently underwent a delicate operation at the Redwood City Hospital, returned home today much improved in health.

The many friends of Mrs. Christina Wollf will be pleased to learn of her recovery from her recent sickness. She is still at the Redwood City Hospital.

Mr. A. S. Jones, who was operated on for apendicitas by Drs. Williams and Ross last week, is making rapid recovery.

Mr. E. F. Martini is very ill at the Redwood City Hospital, suffering from pneumonia. He is under the constant care of Drs. Ross and Taggart, with a trained nurse.

Want Nuisance Suppressed

District Attorney Franklin Swart received a volumious petition Monday signed by the people of Menlo Park and Fair Oaks. asking for the suppression of a notorious house at Fair Oaks. After securing sufficient evidence he notified the proprietor that if the place was not closed at once he would take steps to arrest the owner. The place has been closed since Wednesdayand the property is now on the market for sale and the proprietor agrees to leave the county when she disposes of her possessions. The Beresford Tavern, another noted resort at Beresford, was closed this week by the district attorney.

The Secretary Interviewed

One of our out-of-town members called this week. His first question was:

"How's the Association?"

"Twenty-one years old last May."

"Old enough to vote, eh? How's the Association going to vote, anyway?"

"The Association will vote to take the very best care of the next hundred thousand dollars deposited. Very close to the three hundred thousand mark now, and we expest to make it before the end of the year."

"That's good, glad to hear it."

"Thank you. Don't you wish to take a few more share now, to help bring it up to the even three hundredd thousand?"

"Why yes, make me out a certificate for ten in the new series, and I'll rustle around among the folks and talk the matter up too, and we all should help you in your efforts to increase the business, Oh, by the way, how are loans?"

"All the money is loaned and the demand is for more, all on first mortgages, with excellent security, no trouble at all to loan on our definite contract plan, with such easy payments."

It is interesting to see the Association grow, but it is more to your interest—eight per cent—to help it grow.

Remember, the membership fee is 25 cents per share.

Members may withdraw at any time.

The sudden death of Helen Hughes Lanfear on Wednesday was a great shock to her family and friends. She had been ailing for over a year but her illness was not considered serious. The rdeceased was 44 years of age and had resided in this city for a number of years during which time she made many friends and was endeared to all who knew her for her qualities of mind and heart. COUNTY BOOSTERS TAKE COAST SIDE

County Development Association Capture Residents of Halfmoon Bay

For moons without number in the past, residents on the bay shore of the county have been accustomed to regard those of Halfmoon Bay and vicinity in the same light that the heroes of vaudeville have cartooned Milpitas' people—not only as "dead ones" but buried as well.

That day passed long ago for the coast side and at the boosters' meeting which was held at Halfmoon Bay on Saturday night innumerable angles showed that the coast was just as alive to its resources and the necessity of booming them in order to keep before the public as any other portion of the county. The meeting at Halfmoon Bay had been arranged primarily for the purpose of considering the highway problems of the county and for the purpose of explaining the amendments that were under consideration at Tuesday's election.

Dr. C. L. Morgan, one of Halfmoon Bay's leading boosters, acted as chairman of the meeting. M. B. Johnson of Montara was the first speaker and forcibly presented the wishes of the coast on the road problem. He reviewed the disadvantages under which the residents of ages under which the residents of that section labored during the winter in their efforts to keep in communicaiton with the outside world, not to mnetion their difficulty in getting their products to market. "This county can be made as attractive as that surrounding Los Angeles with a system of fine highways, which, besides increasing the value of the property from one hundred to five hundred per cent, will mean, some statisticians have figured, a saving of $12.50 a year to every person in the county,

Colonel H. G. Loveland of the railroad commission was present at the meeting and explained the purpose of the railroad amendments in an entertaining way, forcibly presenting the necessity for the enlargement of the powers of the commission. Among the other speakers were W. J. Martin, S. D. Merk, Supervisor J. M. Francis, Supervisor J. T. Casey, District Attorney Swart and D. G. Doubleday.

Previous to the Board of Governor's meeting of Tuesday night, representatives of the coast side met with the road committee of the boosters and recommended a resolution, which was later daopted, asking that the Board of Supervisors take immediate steps for initiating proceedings for a county bond issue for the purpose of providing the county with a system of good highways. iIn order order to further interest in this question a competition will be held among the school children of the county. For the best article of a thousand words or less on the advantages that will accrue to the county from a system of highways, two prizes of ten dollars each will be offered.

Improvements at the Hooper Tract.

An electric line has been extended over "The Hooper Hills" to furnish current to the residents of Mrs. James Robinson, Robert Oxnard and George H. Lent, and supply power to the large large rock crusher now operated by McGarvey, Hess and Kreiss. The crusher has been in opperation for the past month turning out over a 1000 yards of material that is being used on the new Hooper road, which by the way will be one of the finest in the peninsula when it is completed. The residents of this tract are jubilant over the good water supply that is being obtained. George A. Lent struck a splended flow of water at a depth of 18 feet but continued drifting his well to a depth of 100 feet and the well has now a capacity of 50,000 gallons water a day enough to supply all the needs of his grounds.

Mr. and Mrs. J. N. Winter will attend the National Red Cross meeting at the St. Francis this afternoon, where President Taft will preside, be being the national president.

Under a recent bond issue voted by the people of the city of San Mateo, there are now being constructed a new outlet sewer and four sceptic tanks, providing a modern sewer system. The outlet sewer is being built along Mt. Diablo avenue, while the tanks will be located at the end of the avenue near the levee, upon land recently acquired by the city from the William H. Howard estate. The tanks are being constructed of reinforced concrete, including the top cover, which is supported on beams.

George Howard, city trustee of Hillsborough, received a number of painful injuries last Tuesday evening by being thrown from a buggy. The accident occurred near the Burlingame Club, and was caused by the shying of the horse at the sudden appearance of a golf player from behind a clump of bushes. Mr. Howard received a number of severe cuts about the face and body, none of which are regarded as dangerous.

The first of a series of entertainments to be given by the students of the San Mateo high school will be held on Monday evening, October 23d. Engagement Announced.

Mr. and Mrs. Charles Josselyn announce the engagement of their daughter, Miss Evelyn Myra Josselyn, and William Duncan.

The news will not come as a great surprise, for ever since Miss Josselyn made her debut at one of the brilliant balls of last season, Mr. Duncan has been her devoted cavelier. He is the son of a well-known Detroit family and is closely related to the Coopers and the Griffiths of Ross. His sister married Richard Girvin a few years ago and is one of the popular young matrons in San Rafael.

Miss Myra is the youngest of the Josselyn sisters—Mrs. H. McDonald Spencer, Mrs. Ethore Avenalli, Mrs. Gerald Rathbone and Miss Marjorie Josselyn. She is as dainty as a wild rose, with a wealth of red gold hair, while young Duncan who is generally known as "Billy," is a stalwart chap of six feet, with the mien of an Italian.

He is connected with the firm of E. H. Rollins & Co. He shares Miss Josselyn's love of the out-of-doors and is equally interested in horses.

The wedding day has not been decided upon, but it will probably be one of the first of next spring, when the flowers bloom their prettiest at Woodside, where the Josselyns have a splendid home.

LOCAL THESPIANS SCORE BIG SUCCESS

The Military Girl as Presented by Home Talent Wins Much Applause

A crowded house greeted the first preformance of "The Military Girl" at the Alhambra last night, and the splendid audience gave the preformers a hearty greating and loudly expressed their approval of the excellent show. And the appreciation shown was well merited. It is safe to say that "The Millitary Girl" is one of the best shows seen here in many years. From the rise of the curtain until its final fall every thing went with a snap and a vim, showing careful preparation and training.

Shrieks of laughter greeted the commedians and the work of the choruses elicited great praise. In fact, so clever was the work of each individual in the cast that a stranges might well have mistaken the perfomance for a professional production.

The sextette "Tell Us, Pretty Maiden," proved a winner, while the burlesque of the same scene, which immediately followed, evoked schrieks of merriment. The work of the soldiers was simply immense, while the "Matinee Girls" were as taking an aggregation as could be found anywhere.

Miss Emily Hess, as the General made a tremendous hit, while the Captain of Hazel Hammerson was simply immense. "A Burlesque on any Opera," by Miss Beeger, showed undoubted talent and was a clever turn. Miss Minnie Gould captirated the audience with her sweet singing and pretty acting. Of course it is needless to say that Charley Landschett was good, for that he always is, and his presence is always appreciated by a Redwood City audience.

The preformance will be repeated this evening, and the success of last night's preformance is an assurance that the Alhambra will hold another big audience. Besides the fact that the entertainment offered is of a high class and well merits patronage, is the added fact that the object is a most worthy one and calls for the support of the people of the town and vicinity.

County Election Results.

The election is over and the voters of San Mateo county have declared for the recall, initiative and referendum and reform legislation.Not more than half the voters cast their ballots last Tuesday but a majority have declared for the amendments with the single exception of the one giving the women the right to vote. Woman's suffrage in the county was beaten by 300 votes while the amendment was carried in the state by over 2000 votes. We favored this amendment and rejoice with the women that it carried. The ladies will have to take off their hats to Purissima precincts which gave 16 for the women and 4 against. This is the banner woman suffrage precinct of the county while the banner precinct against woman suffrage is Hillsborough which cast 26 votes against and 6 for the amendment. FRIENDLY SUIT TO TEST SCHOOL TAX LEVY.

At a recent meeting of the Hillsborough trustees City Attorney A. H. Redington reported that he had conferred with District Attorney Franklin Swart relative to the liability of the Hillsborough school district for its share of the redemption taxes of the San Mateo school district for bonds issued while it was a part thereof. Mr. Redington claimed that in erecting a new district they had ceased to be liable for any portion of the old district bonds. Attorney Swart held the contrary view and in order to settle the matter for all time it was thought advisable to institute a friendly suit in the Superior Court to determine it. Redington advised this proceedure, in which Swart concurred, and the board authorized him to go ahead with the suit and act jointly with the district attorney.

Ladies Will Hold Flower Show.

The Redwood City Woman's Club will hold a flower show on the evenings of the 26th, 27th and 28th instant. The exhibit will be held in a large tent adjoining the club house in Dingee Park. The ladies are working hard to make the event a success and hope to be able to have such a display every year. Flower growers, both amateur and professional, are taking a keen interest in the coming show and it is promised that the exhibits that will be displayed at the St. Francis hotel in San Francisco next week will be shown here. Valuable prizes will be given to exhibitors, both adults and children. Tickets will shortly be on sale.

Only the Iceman.

If you happen to be traveling over any part of the Pacific System of the Southern Pacific Company, and if you notice as your train pulls into a station, a man attired in a white duck suit, white cap and rubber gloves, do not get the impression that he is a public health inspector and that your train is liable to be delayed until he has completed an inspection, nor need you fear that the train may possibly be quarantined. That is not his duty. He is the man who fills the ice receptacles on the Southern Pacific dining and passenger coaches and he is following the latest sanitary measures that have been adopted by the corporation.

An open competitive examination for clerk will be held at the post-office in this city on the 28th instant. For application blanks and further information apply to Postmaster Price.

A ROAD THROUGH BIG BASIN.

Rev. Father Robert E. Kenna, former president of the Santa Clara College, has strongly advocated the construction of a boulevard running through the4000 acres of the State Redwood Park in this county and Santa Cruz. In his statement Father Kenna says:

"It seems to me a great civic duty imposed by loyalty to the State, and inspired by a pardonable State pride, to make known to those who will come in 1915, the beauties and wonders of our great primeval State Park. And even if we should not be moved by the laudable desire to open this mysterous and wonderful forest for the delight and instruction of the myriads who flock to this, 'land of the afternoon, this land of the sunset,' to quote Bishop Conaty's words, we should endeavor to make it easily accessible to thousands, and not to a few hundreds, simply as a camping ground."

Choral Society to Resume Work.

The Redwood City Choral Society will hold its first meeting for the season of 1911-12 next Monday at 8 o'clock in the parlors of the Congregational church. The society intends to make this the most active season of any since its organization. In order to do this the membership must be increased. All those desiring to join should send their applications to the secretary, M. S. Cooper, or hand it to a member before the above date. All members are urged to make it a point to be present, as important business is to be transacted.

Talk By "The Union Spy."

The people of this city have a great treat in store for them. Rev. Alonzo Brown, pastor of the M. E. church, has been so fortunate as to secure L. W. Simmons, the celebrated "Union Spy," who was one of General Grant's special secret agents in the war of the Rebellion. Mr. Simmons is an official of the Treasury Department of the government, and has a national reputation as a platform speaker. It is expected that Mr. Simmons will appear in this city about the 11th of November.

Mr. and Mrs. Nicholas Hansen of Palo Alto have sold to the Redwood City Realty Company 15 acres of their seventeen and a half acre tract near Woodside. The reserved portion of the tract will some day, it is the hope of Mr. andMrs. Hansen, be their home. They will shortly plant it with shade trees and look forward to building a house on it.
